

Software Engineer (NodeJS)

Kitu Systems, Inc. – San Diego, CA

Job Description

Kitu Systems is a global leader in smart energy platforms and services. Our software solutions help utility companies, enterprises, and residential customers make the most of clean energy resources, including solar, battery storage and electric vehicles.

We are growing rapidly and looking to add a number of software engineers to several teams currently working on exciting agile projects. Located in the Kearny Mesa area of San Diego with easy access to freeways, Kitu Systems offers the ideal environment for engineers seeking a position where their every contribution makes a difference, not only for the company or the planet, but for themselves too.

Kitu Systems welcomes each new team member with great perks and the chance to develop their skills.

The ideal software engineer candidate is energetic, highly motivated, proficient at transforming concepts into solid architecture and requirements, detail-oriented, and able to quickly come up to speed on new technologies.

Qualifications: Successful candidates should be located in San Diego (or able to easily relocate from Orange County/Los Angeles areas) and have:

- 5+ years of experience as a software engineer
- Proficiency in Javascript/NodeJS
- Experience developing backend services and RESTful APIs
- Understanding of the design and implementation of low-latency, high-availability, high-performing backends
- Proficiency with code version tools such as Git

Preferred Skills:

- Experience developing highly scalable SQL databases
- Working knowledge of Web App development using HTML/CSS/jQuery/AngularJS/Swagger
- Background in Linux-based development environment (preferably Ubuntu), with scripting in bash, python, etc.

Benefits: Kitu Systems offers a competitive compensation and benefits package including:

- Medical, dental and vision insurance (company pays 95% of employee premium and 60% of dependent premiums!)
- Life insurance
- Flexible spending account (FSA)
- 401(k)
- Paid time off (PTO)
- Break room stocked with snacks!

Kitu Systems recognizes that all individuals have the ability to make an impact. We are an equal opportunity employer and do not discriminate based on race, color, ethnicity, ancestry, national origin, religion, sex, gender, age, disability, veteran status, marital status or any other legally protected status.

Job Type: Full-time

To apply, please send your resume to jobs@kitu.io.
