National City, CA
8:45am to 11:00am

Please join us as we discover ways to encourage growth of this emerging industry in South County. Industry leaders will share:

- Mapping the ocean floor
- Newest ship building efforts
- Cutting edge cargo delivery
- Needs of this fast growing industry
- Becoming a maritime industry community

All 5 cities in the South County surround the San Diego Bay. This offers a unique opportunity to capture and grow the maritime industry. The maritime industry is one of six clusters that have been identified in the South County Vision Plan. To find out more about the industry and the vision plan visit:
